Please try and make your appointments with your Communicates the day before your visit. The homebound appreciates knowing when you are coming. Bring a bulletin for each. Remember to get a substitute or switch days with someone when you can't make it. If you do switch Sundays, please contact the rectory so that they can update the schedule. *Bob Detig is available only if you cannot find a substitute.

This schedule is posted in the Sacristy, outside Fr. Bill's Office, at the Rectory Reception Desk, and also on the parish website www.olpnp.com. Remember to write the names of those you have distributed Holy Communion to in the Sick Call Register located on the right of the rectory front reception desk.

This ministry is truly appreciated by those you visit. Please continue to bring your joy of the Lord to those you serve.

Thank you for your continuing support of this ministry. May the days and months ahead bring you and your families many blessings and a wonderful Christmas and New Year.
